

## **Our program of sponsorship:**

Many children are living in Uganda whose parents have been died of Aids. Other children don't have access to a broad education too because of the poverty of their parents.

With a annual contribution of 150€ you can enable the education of one child or greatly enhance the living condition of the family.

On this we provide::

1. School sponsorships, wich allow the children to visit the clerical Primary School St. George (forms 1.-7.) respectively the regional Secondary Schools (forms 8.-13.). With a annual contribution of 150€ respectively 240€ the school fees for school dinner, school uniform and for a basic equipment (exercise books, pens, soap, detergents, crème, sweater) will be financed. One time a year each sponsor will get a letter of his godchild. If you like you can get further information about the development in school and about the situation in the family of your godchild. With pleasure we will support a correspondence between you and your godchild.
2. Second Training sponsorships, which allow the children a start to a professional life after school-leaving qualification. The cost of a second traninig account between 240€ (Carpenter/Tailor) and 800€ (nursing) per year. Normaly cost-intensive trainings will be supported by more sponsors. If you like even in this case annualy you will get a letter of and information about your godschild and the status of education.
3. Study sponsorships, which allow the teenager to study after their secondary school certificate. The cost for a study in Uganda account about 1200€ per year so that a student has to be supported by more sponsors. If you like you can get information about your godchild an the progress of study.
4. Family sponsorships, where those families of our sponsored children, who are living in extreme poverty, will be supported by a monthly amount of 10€ to 15€ . The situation of this families will greatly enhance. Your contribution of sponsorship will be assigned to a permanent family. If interested, you can get information about your host family.

If you are interested in a sponsorship please read the "actual information". Here you can find which kind of sponsorships currently can be facilitated.
